

Dear Friends of Hogar de Vida in Costa Rica,

May the perfect love of our Lord and Savior Jesus Christ fill you this summer season and abundantly bless you and your family.

God continues to work in and through each one here, from the tiniest new born baby to the oldest adult. God is faithful to restore what Satan has tried to destroy in the precious lives of all at Hogar de Vida. Just read Kenneth's testimony of answered prayer for a new family.

As God has called us to secure the property of Hogar de Vida, we challenge you to be personally involved in the construction and installation of the surveillance system and cement security wall. Your prayers are of upmost need followed in close by your generous financial giving. Join us as we persevere in creating a safer place of restoration and healing for all who come to Hogar de Vida. To be involved, email us at info@homesoflife.org or fill out the Response Card below and mail to our state side office. Web site: www.homesoflife.org
